

Health & Public Secto

Accenture is a leading global professional services company, providing a broad range of services and solutions in strategy, consulting, digital, technology and operations. Combining unmatched experience and specialized skills across more than 40 industries and all business functions—underpinned by the world’s largest delivery network—Accenture works at the intersection of business and technology to help clients improve their performance and create sustainable value for their stakeholders. With more than 425,000 people serving clients in more than 120 countries, Accenture drives innovation to improve the way the world works and lives.

Investing in you

Our employees are our most important asset. At Accenture we believe that quality comes from within and we invest heavily in developing your professional competencies.

You will receive on-going training that builds and extends your skills on a continuous basis, allowing you to develop tailored expertise quickly. You will have direct access to state-of-the-art technologies, tools and developer kits from all the major hardware and software houses, keeping you on cutting-edge of your area of expertise.

You will receive your own career counselor who interacts with you on a regular basis, ensuring you a career path that suits your needs and ambitions.

Contact and application
